  Bachelor of Technology | Civil Engineering *CGPA : 7.56 / 10*

- **IIIT, RGUKT RK VALLEY, AP** *2019*
  Pre University Course (PUC) | MPC *CGPA : 7.05 / 10*

- **Kallimatam MPL HS, Rayadurg, AP** *2017*
  Class X (AP State Board) *CGPA : 9.7 / 10*

Skills

- HTML5
- CSS
- JavaScript
- React.js
- Responsive Design
- Tailwind CSS
- REST APIs
- My SQL
- Git & GitHub
- Basics of Node & Express

Experience

Frontend Developer Internship Remote

@ LearnX AI **Present**

- Developing AI interview interface pages using React and CSS to enhance the platform's learning tools.
- Creating user-friendly and effective interfaces for seamless learning experiences.

@ Alfred Solutions **Aug - Dec**

- Developed a hotel management application with features like booking creation, room assignments, and guest request tracking.
- Built responsive UI components using React.js and Tailwind CSS, ensuring seamless user experiences across devices.
- Integrated APIs for real-time updates, improving operational efficiency and guest satisfaction.
- Streamlined hotel operations by implementing request approvals and service tracking functionality.

@ GocosmicAI **May - July**

- Enhanced user experience by designing dynamic and interactive web pages using React.js and Tailwind CSS.
- Simplified workflows for registration, login, and assessment scheduling, improving user engagement and satisfaction.
- Developed and integrated RESTful APIs using Node.js and Express.js, ensuring seamless data flow and optimized performance.
- Collaborated with backend developers to ensure efficient API integration

Projects

Personal Portfolio | Project Link

Built a captivating personal portfolio website using HTML, CSS & JavaScript. Implemented creative features to showcase my skills and projects, ensuring a seamless user experience across devices. Strong foundation in front-end development.
Technologies Used : Html, CSS, JavaScript, Responsive Design.

Note : Explore more of my work on my captivating portfolio website. (Link is given above)

Coursework

- Accomplished **Front-end Development** Course | Coursera
- Accomplished **HackerRank Frontend Developer** (React) test and obtained the certification.
- Achieved **React JS** Certification | simplilearn
